ABOUT ME

Frontend Developer with nearly one year of professional experience in developing responsive and scalable web applications using **React.js, JavaScript (ES6+), HTML5, and CSS3**. Skilled in **RESTful API integration, React Hooks, Context API, reusable component** development, and **Git/GitHub**. Familiar with ASP.NET Core, Entity Framework Core, and SQL Server, with a strong focus on building high-quality, user-centric applications.

TECHNICAL SKILLS:

Frontend

- React.js
- JavaScript (ES6+)
- HTML5
- CSS3
- Responsive Design
- Angular (Intermediate)

Backend

- ASP.NET Core
(Intermediate)
- Entity Framework Core

Tools

- Git / GitHub
- Chrome DevTools
- Postman
- Microsoft 365
- Jira
- Figma
- Canva

Database

- SQL Server

WORK EXPERIENCE

Frontend Developer | Payoda Technologies

July 2025 – Present

- Developed and maintained responsive, scalable web applications using **React.js, JavaScript (ES6+), HTML5, and CSS3**, delivering user-friendly and high-performance interfaces.
- Built reusable and modular React components using **React Hooks** (useState, useEffect, useContext), implementing **React Router, Conditional Rendering, and Controlled Forms** to create dynamic user experiences.
- Integrated **RESTful APIs** using **Axios** and **Fetch API**, managing asynchronous data fetching, error handling, and application state.
- Contributed to a **widget-based UI architecture**, developing reusable and configurable components, including a **React-based Chatbot Widget** that enabled seamless **integration** across **multiple web applications**.
- Designed **responsive** and accessible user interfaces using **Material UI**, ensuring cross-device compatibility and an improved user experience.
- Collaborated with cross-functional teams using **Git/GitHub**, following **component-based architecture**, clean coding practices, and frontend best practices to deliver scalable and maintainable applications.

Internship - Web Developer | Payoda Technologies

Oct 2024 – June 2025

- Developed responsive websites using **WordPress, HTML5, CSS3, and JavaScript**.
 - Customized **WordPress themes**, templates, and page layouts based on business requirements.
 - Created **responsive and interactive web pages**, ensuring **cross-browser compatibility** and **mobile responsiveness**.
 - Enhanced website functionality by implementing interactive UI elements and optimizing performance.
 - Performed website testing, debugging, and maintenance to ensure a seamless user experience.
-

PROJECTS

Appointment Booking System

Technologies: ASP.NET Core Web API, Angular 15, Entity Framework Core, SQL Server, JWT Authentication, Repository Pattern

- Developed a full-stack **Doctor Appointment Booking System** with secure Admin, Doctor, and Patient modules, **supporting appointment booking, rescheduling, cancellation, tracking, and dashboard management**.
- Designed **responsive user interfaces** using Angular 15 and integrated **RESTful APIs** built with **ASP.NET Core Web API, Entity Framework Core, and SQL Server for seamless data management**.
- Implemented **JWT Authentication, Role-Based Authorization, Repository Pattern, Dependency Injection, and Unit Testing** to ensure application security, scalability, and maintainability.

Weather Forecast Application - React

Technologies: React.js, JavaScript (ES6+), HTML5, CSS3, OpenWeather API

- Developed a responsive **Weather Forecast Application** using React.js, displaying weather forecasts for Today, Tomorrow, and the Next 5 Days with a dynamic city search feature.
 - Integrated the **OpenWeather API** using **Axios** and utilized **React Hooks** (useState, useEffect) to efficiently manage application state, **asynchronous API calls**, and real-time weather data.
 - Built reusable React components following **component-based architecture** and clean coding practices, delivering a responsive and user-friendly interface across desktop and mobile devices.
-

EDUCATION

- **B.Sc Computer Science with Data Analytics**
KPR College of Arts Science and Research - Coimbatore (2022 - 2025)
-

LANGUAGE KNOWN

- English
- Tamil
